

WRITING A 90 DAY PRESCRIPTION ON MAINTENANCE MEDS BENEFITS PATIENT, STAFF AND YOU

WHY 90 DAY?

Improved Medication Adherence

Patient's more likely to have necessary maintenance medication on hand and less likely to miss a dose

Easier on your patient

Decreased trips to the pharmacy and possible savings available

Less phone calls /work

Less refills request and no phone call if the patient wants to switch back to 30 day supply

Better Quality Outcomes

Improved ratings on multiple quality metrics
