

TOO TO BE TRUE

THE FACTS:

- GoodRx has helped save Americans over \$14 billion on prescriptions.
- GoodRx admitted they share personal health data to Facebook, Google, and other third parties.
- You can request that GoodRx deletes your personal health information.
- Request them to **delete your info** at GoodRx website: <https://privacy.portal-cdn.onetrust.com/dsarwebform/ee5fd780-9c3f-4334-ac1d-9422f66e0446/9ff706e8-30f7-43a0-ba1a-365d14fd1e3f.html>
- You can always talk with your doctor or pharmacist about lower cost generic medications.
